ACCORDION WALL SYSTEM

Stainless Steel

Stainless Steel Bathroom & Toilet Partitions | Hadrian

Stainless:

Pros:

- Is an up graded material – 304 grade
- Longevity of product
- Upgrading to embossed finish will help fingerprints

Cons:

- Will stain/change finish with high use of cleaning chemicals
- Urinal screen will need regular scheduled cleaning to prevent staining
- Can't easily repair stain or imperfection
- Cost point higher

Powder Coat:

Pros:

- Budget friendly
- Easily cleanable
- Can be re-painted with a specific Sherwin Williams paint

Cons:

- Minimal color options
